

Welcome to the Rock Camp Community!

Dear Camper Families,

Whether this is your first showcase or your tenth we want to thank you, your camper, and your family and friends for being a part of our community.

It is an honor to work with your amazing kids each summer, to watch them grow, learn, and carry on the legacy that began almost 20 years ago with those first 125 campers.

We hope you will join us, not just at camp next year, but for our many other events throughout the year. It is our goal to build a strong, supportive community around our campers and everyone, from parents/guardians to interns and volunteers, plays an important role.

Thank you for helping us amplify the voices of our amazing youth!

1. Tax Evasion with “Boogie Woogie”

Manager: Benny Intern: Ash

Intro- Give me a T! A! I! S! O! Q! P! E! V! M! B! O! N! What’s that spell? TAX EVASION!

V1- I woke up dazed. The remnants of last night on my face. Mortified as fragments of last night came back to me. I squinted as the sunlight began to creep in. I smiled ‘cause I knew you couldn’t tell me it wasn’t worth it.

Pre-Chorus- Feeling bad, feeling sad, might do something stupid, reckless, isn’t that what you wanted. Oh, won’t remember it tomorrow, save me the sorrow.

Chorus- Boogie Woogie ugie tugie. Don’t do drugs or you’ll get mugged! I evade taxes like they’re hurdles. Road work ahead? I sure hope it does. ‘Cause I spend my days running from the gov.

V2- We are all so lost so we do stupid things to be found. Baby tonight, we forget the homework due tomorrow. We forget our parents and their dumb rules. The drama and the kids who think they’re so cool.

Pre-Chorus

Chorus

Bridge- use memes to cope with emotions. Just go thru the same old motions. I laugh at faces on banana peels, so no one has to see my feels

Chorus [2x]

2. The Coppertones with “Chad’s Betrayal”

Manager: Sade Intern: Nora

V1- Having a bad day. Couch on my mind. Turned around to find an alien from behind. Immediately ran home. Get out my phone. Call up the team but I’m still alone.

Chorus- Why did I trust my copper tone phone [2x]

V2- Who do I trust. The world has gone mad. I have to rely on my best friend Chad. I hear someone say Micky’s on her way. What I see is not Chad, but someone else in his place. An alien from outer space.

Chorus [2x]

1. Invader with “Gnushk”

Manager: Sailor Intern: Ruby

Intro- space noises

V1- Who knows if we’re even here? Should we have to live in fear? This planet is really weird. Why do they run when they run when they see us? Why don’t they climb on our space bus? [2x]

Chorus- more space noises

V2- I don’t know who to trust or fear. It’s foreign here. This place is new. I can’t tell who is who. They don’t know they’re made of SPACE DUST, just like our space bus. I feel too weighted down here. This gravity is so weird. It’s crushing, this atmosphere. Who knows if we’re even here?

Chorus- even more space noises

Outro

2. Wildflowers with “Nostalgia”

Manager: Everett Intern: Carter

V1- the bittersweet smell of coffee reminds me of simple times. When we packed the car and drove to the places we’ve been before.

V2- The cold river gave me the shivers, but the hot sun made it fun. I hum the tune of Jolene while watching the water run. It fills me with wonder of what lies under and who I might be.

Chorus- These memories helped us grow. The seasons come and go. Now we are getting older and the seasons are getting colder.

V3- The blue sky streaked with pink. The long day yearning for sleep. She wishes sweet dreams after the reading “The Giving Tree”. My eyes fell heavy and my body set free.

Chorus

3. Bashin’ Berries with “Bully Bullet Blender”

Manager: Ashely Intern: Nate

Intro- Try our new magic bullet bully blender. Bully not included. And there’s only one button: BLEND IT!

V1- Put your bullies in a bully bullet blender. Make a bitter smoothie. Chunks and sticks and seeds and stems. They make you feel all goofy. In elementary we were so care free, running around all hyper. But by the end it wasn’t pretend. You were acting like a VIPER!

Chorus- How do you make a bully bullet smoothie? Cherries, peaches, snakes, and leeches! What do you do with a bully bullet smoothie? Pour it down the sink and wash it down.

Bridge- No worries [6x]. The caprisun still shines in the morning and the moon is still made of swiss cheese.

V2- Throw me a cantaloupe. We’ll see if you float. I walked in the bathroom and saw what you wrote. Your words, they hurt me. I’ll fix it with sutures. I still have a future [4x].

Chorus

Outro- You’re not sweet, you’re a sour patch kid. Shoulda done a patch test— cuz you’re an allergen. You’re not sweet, you’re a sourpuss [3x].
